Diversity, Equity + Inclusion Plan

**DESCRIPTION**

Yale Athletics will strategically create opportunities to build an inclusive culture for staff, student-athletes, and prospective student-athletes by valuing diverse thought and backgrounds, actively educating through awareness raising and programming, and evaluating policies and processes.

Our DEI action plan will focus on our student-athletes, coaches, staff, alumni, and the New Haven and campus communities while prioritizing department goals, recommendations, and initiatives to promote diversity, equity, and inclusion.

**PROFESSIONAL & PERSONAL DEVELOPMENT OF INCLUSIVE PRACTICE**

- Evaluate Diversity, Equity, and Inclusion Working Group and five staff subcommittees to focus on:
  - Welcoming, Onboarding, and Retention
  - Education and Workshops
  - Community Engagement and Events
  - Cultural Center Connections
  - Employee Affinity Groups

Create monthly department inclusion newsletter to highlight campus resources, events, and programming.

Collaborate with Yale affinity groups and community partners for joint programming opportunities.

**SCHOLARSHIP, RESEARCH, PRACTICE, & TEACHING**

Support belonging group connections focused on uplifting the voices of underrepresented student-athletes and encourage the development of new student-athlete affinity groups.

Identify opportunities to develop connection events and yearly programming for our student-athletes and staff by fostering partnerships with Yale cultural centers and departments that support underrepresented groups.

Collect feedback surveys at the conclusion of diversity and inclusion trainings and select inclusion focused events for use in future event planning.

**EQUITABLE PROCESS, PROCEDURE, & RESPONSES**

- Create annual inclusion training and programming opportunities for Yale Athletics Department staff and student-athletes.
- Support the Diversity, Equity, Inclusion, and Belonging Committee operated by the Student-Athlete Advisory Committee, providing a voice to all student-athlete affinity groups.
- Create internal diversity, equity, inclusion, and belonging landing page to assist Yale Athletics Department staff with on-boarding and house campus and community resource links.
- Review hiring and retention data to evaluate unit progress and plan for future employee inclusion and retention efforts.

**DIVERSITY OF THE YALE COMMUNITY**

- Highlight local minority-owned business and resources for Yale Athletics Department staff and visiting teams.
- Identify local New Haven organizations for Yale Athletics staff and student-athletes to build a partnership for annual campaigns, engagement, event access, and development.
