

# DEVASTATING EARTHQUAKE IN TURKEY

## YOUR CONTRIBUTION MATTERS.

On Monday, Turkey was hit by two earthquakes of **magnitudes 7.8 and 7.5**.

More than **11000 deaths** have been reported, thousands are still **trapped under rubble**, and many others are **without shelter** and exposed to extreme cold weather.

International Students' Organization and Turkish Student Association are raising funds to assist ongoing rescue and relief efforts. Donations will go to **AKUT Search and Rescue** and **Ahbap**, two of the most active volunteer networks in Turkey.

**Matching donations 2:1.**

**Every \$1 you donate becomes \$3.**

**\$20 = 376 Turkish Liras,**

**which is enough to shelter one family for one night.**
